Airport in sporty mood

On the last weekend in June Dresden Airport will once again be taking part in the 27th Dresden Dragon Boat Festival with our highly successful *Flugboot*. The crew's motto: "Only flying is better!" In addition, the airport donates the High Flyer Cup. From 18 June to 8 July there is another opportunity for our employees to show their sporting prowess in the "Stadtradeln" City Cycling campaign and make yet another contribution to a good climate in Dresden.

Flughafen Dresden GmbH is a subsidiary of the Central German Airports Group with around 1.71 million passengers per year (2017).

Thanks to the direct access road from the A4 motorway, 3000 parking spaces right next to the terminal building and the S-Bahn station, passengers from Saxony, Southern Brandenburg, Northern Bohemia and Lower Silesia can get to the airport easily and comfortably.

Short and barrier-free routes are characteristic of the unique Dresden Airport Terminal, a former aviation industry hangar. Arrivals and Departures as well as service areas can all be found under one roof. It is also home to Dresden's biggest travel centre, the Gate 14 airport shop (www.gate14.de) and a conference and events centre with a panoramic view of aircraft on the apron. The customer service was awarded the "Service Quality in Germany" level II certificate by the Saxon Tourist Board.
